## Our services

We also have special vehicles for escorting critical cargo and an escort agreement with the Main Directorate. state specialized security service of the Ministry of Internal Affairs of the Kyrgyz Republic.

There are no restrictions on the weight of goods transported by special vehicles in our company.

Also, the advantages of transporting dangerous goods by road include:

- the possibility of delivery to hard-to-reach regions, remote from railways and airlines (sometimes they are the only option);
- transportation safety;
- independence from weather conditions (in most cases);
- monitoring of cargo along the entire route using modern satellite tracking systems;
- affordable prices.
